III. *Acronyms, Definitions, and Exemptions*

The FOIA nw requires that agencies include in their annual FOIA Report data for both the agency overall and for each principal component of the agency.
 - e. **Consultation** - the procedure whereby the agency responding to a FOIA request first forwards a record to another agency or component within the same agency for its review because that other agency has an interest in the document. That agency, in turn, will then respond to the FOIA requester

FOIA requests also include requests made by requesters seeking records concerning themselves (i.e., “first-party” requests) when those requesters are not subject to the Privacy Act, such as non-U.S. citizens. Moreover, because all first-party requesters should be afforded the benefit of both the access provisions of the FOIA as well as those of the Privacy Act, FOIA request also include any first-party request where an agency determines that it much search beyond its Privacy Act “systems of records” or where a Privacy Act exemption applies, the agency looks to FOIA to afford the greatest possible access.
